

String Art Heart

This cute and simple project will be the hit of the class party!

Time Required : 15 Minutes Or Less

Difficulty Level : **Beginner**

Project Instructions

- STEP 1 Trace the shape of the heart on a piece of red felt. Cut out.
- STEP 2 Un-peel the backing of the adhesive heart, and place the felt heart on the sticky side.
- STEP 3 Wrap one loop of yarn around the heart and tie the yarn ends to each other to get started. Do not cut the end of the strand.
- STEP 4 Continue to wrap the yarn around the heart. Change the position of the wrapping continuously and keep taut so the yarn doesn't fall off of the heart. Wrap approximately 10 times.
- STEP 5 Cut strand of yarn, but leave enough excess to tie the end to a wrapped piece of yarn.
